Dear Mr. Tindal:

The next meeting of the planning committee of black administrators and community representatives will take place this coming Saturday, December 2, 1967 at 3 p.m. in the office of Mr. Arthur Johnson, Schools Center Building, 5057 Woodward Ave.

This is an important meeting to develop further the decision reached at last Wednesday's meeting that 1) we organize a Working Conference of black administrators and community people to raise the achievement level of inner city schools; and that 2) this conference deal with certain specific areas tentatively defined as:

- a) community involvement;
- b) improvement of program and curriculum;
- c) improvement of atmosphere for learning;
- d) administrative strategies;
- e) social and political action;
- f) accountability.

I hope you will make every effort to be present.

Sincerely,

Rev. Albert B. Cleage Jr.
