Dear Member:

Due to the Thanksgiving holiday, for which many of our members had planned family activities, we felt a one week delay for our regular membership meeting was necessary. The next meeting will be held at Central Congregational Church, 7625 Linwood, Wednesday, Nov. 29, at 7:30 P.M.

Major highlights for the meeting will include an address by Rev. Lucas Walker, New York City's militant Black minister representing the Interreligious Foundation for Community Organizations. Rev. Walker will speak on the Black Struggle for Liberation and the role his organization is playing.

An expose, by Rev. Albert B. Cleage, of a plot to re-enslave Black people, as perpetrated by the Metropolitan Authority (a funding Agency), will be most enlightening. Come out and listen to Rev. Cleage uncover, what he labels, "a devastating program to stop us from our goal for 'Self-Determination' in our community.

It is most urgent that you attend this meeting in order to obtain the vital information to be presented and, also, to participate in Workshop Sessions which will summarize with answers to the following questions:

1. What is really happening on the job front? ... Labor & Employment Committee.

2. What should we do to correct the inadequate 'mis-education' of our youth, and the ridiculous situation existing in Inner-City schools? ... Education Committee.

3. What should we do about the poverty program that perpetuates, rather than eliminates poverty? ... Poverty Committee.

It is TIME for ACTION. Be present Wednesday, and SAY what you think!

Yours for Black Unity,

*Albert B. Cleage*
