

Cars Overturned and Burned, Negroes E

Negro woman begs mercy for husband, who has just been dragged from their auto at Cass and Stimson during morning rioting. More than 500 persons, black and white, required hospital treatment.

The crowd overturning this car first took its driver from behind the wheel. Later the helpless victim was taken behind a billboard near Mack and Woodward and was badly beaten.

Woodward crowd pictured after it had stopped a street car and was in the act of dragging a Negro passenger into the street. This happened near Mack.
