

DETROIT—WIN THE WAR!

Crush the Fifth-Column Klan!

We are producing tanks and guns and planes to beat Hitler and his Japanese allies.

Our war workers badly need housing, especially our Negro war workers.

AS A WAR MEASURE, our Federal Government — backed by our Mayor and Common Council — have built Sojourner Truth Homes for Negro war workers, next to a prospering Negro community.

An Axis-Aiding Klan-led mob has used violence to block this win-the-war move.

Twenty-five war workers' families who have signed leases with our Government, are now roofless because of this mob violence.

This group of pro-Hitler forces seeks to create disunity, to split our American war effort.

Congressman Tenerowicz, a few real estate sharks, the Ku Klux Klan and Axis forces are defying our government by mob violence.

They are betraying America!

Housing Director Charles Edgecomb and Police Commissioner Eaman have clearly collaborated with this traitorous mob! Let the Mayor remove them, and appoint officials who will be loyal!

Tanks, guns and planes for our boys are being lost because this treasonable mob keeps our war workers out of their homes.

Mayor Jeffries and our Federal Government are standing firm. Let patriotic Detroit rally behind them.

Every decent, patriotic American is standing firm. In Detroit, the American Federation of Labor and the Congress of Industrial Organizations, representing 500,000 unionists, and the mighty Ford Local No. 600 of the UAW-CIO with 91,000 members have taken a stand firmly behind the government's decision to house Detroit's Negro war workers in Sojourner Truth Homes.

Eminent Polish, Jewish and Negro leaders of Detroit, Republicans and Democrats, leaders of the Detroit Council of Churches, the Catholic Worker, the Roundtable of Protestants, Catholics and Jews, and numerous other religious groups all support the position of our Government and oppose the subversive conspiracy against our war effort.

These are the forces that fight for the Four Freedoms. These are the forces who denounce the Fifth Column Ku Klux Klan — who denounce Congressman Tenerowicz, Edgecomb, Eaman and the entire pro-Nazi conspiracy.

JOIN OUR CIVIC LEADERS! SUPPORT OUR GOVERNMENT!

**DETROIT WILL NOT ALLOW THE NAZIS TO PULL
A PEARL HARBOR IN OUR CITY!**

What To Do:

Stand united. Do not be provoked. Firmly support our Federal Government's policy and decision. Unitedly defeat this pro-Nazi conspiracy.

Have your trade union, church, youth or civic organization speak out. Adopt resolutions. Wire, phone or write Mayor Edward Jeffries and the Common Council. Tell Mayor Jeffries you support his stand. Put Negro war workers in Sojourner Truth.

Tell Councilmen Dorais, Van Antwerp, Garlick and Rogell to stop helping these traitors.

Demand the arrest of the Hitlerite and Klan organizers of violence. Take your stand with the United States Government.

Write or wire President Roosevelt that Detroit loyally supports our war effort and wants protection for Negro war workers in Sojourner Truth Homes.

White and Negro—Americans all — join the "win-the-war" picket line at the City Hall — 10 to 12 A. M. and 2:30 to 4:30 p. m. daily.
