AN ORGANIZATION

FOR AMERICANS WHO
BELIEVE FREEDOM IS
WORTH FIGHTING FOR

The Civil Rights Congress is a national organization composed of local Chapters with individual membership, affiliated national and local trade unions, church, veteran, Negro, Jewish and civic organizations.

Civil Rights Congress members are people from all walks of life — farmers, workers, teachers, scientists, writers, artists, ministers, small businessmen.

They are Negro, white, Jew, Gentile.

They are the people who believe with Thomas Jefferson that "Resistance to tyranny is obedience to God"

They are the people who are fed up with mud-slinging by the Un-American Activities Committee, fed up with Jim Crow, with anti-Semitism, with Ku Kluxism, with "Loyalty Orders", with spy scares, with red herrings instead of red meat.

They are the people who are fighting back.

AMERICA'S DEMOCRACY

JOIN CIVIL RIGHTS CONGRESS

TO SUPPORT AND DEFEND
THE U. S. CONSTITUTION

THE CREED OF THE CIVIL RIGHTS CONGRESS

We believe in and defend the Constitution of the United States. We fight for the extension of the rights, guaranteed under the Constitution, to all Americans, regardless of race, religion or political belief. We stand with the United States Supreme Court when it said:—"If there is any fixed star in our constellation, it is that no official, high or petty, can prescribe what shall be orthodox in politics, nationalism, religion, or other matters of opinion or force citizens to confess by word or act their faith therein."

These are the principles for which we fight.
